

The ICA / PEI Pan-African Infrastructure Intelligence Report: An update

Rationale for the Report

Overall Rationale (SBP cross-cutting):

Outreach activities of ICA (Private Sector), but also

- Communication activities and knowledge production
 - within AfDB
 - with ICA Members (DFIs)
 - to the private sector and other partners

 - Identification of market trends, players and products
 - in the sectors and regions
 - Market players (developers, investors, DFIs) and their products (Equity, Grants, Funds)
 - around PPPs, both national and regional
-

PEI Media: The Partners

- PEI London is the leading financial information group with strong market presence (London, Singapore, New York) and a strong track record. PEI is dedicated to infrastructure and equity, with numerous investor-led activities:
 - Private Equity Forum (Africa and Asia)
 - Infrastructure Investor Magazine, addressing key aspects of investments and finance globally
 - Special Infrastructure Investor Intelligence Reports, with country and region profiles
-

The Report: Structure and Content

- ❑ General Sector Approach - with trends, opportunities within sub-sectors and case studies
 - ❑ Intro and a feature on both national and regional themes
 - ❑ Drawing on existing knowledge (AICD, McKinsey, PEI)
 - ❑ Drawing on PPP trends, future objectives, key projects, financing options available, key data and institutions
 - ❑ Drawing on ICA Members: Keynote interviews from DEG, EIB, AfDB and PIDG – further enriched by others
-

The Report: Timeline and Distribution

- ❑ Timeline: until end of 2010
 - ❑ Written and researched by PEI, with support from ICA (also as co-branded co-sponsors)
 - ❑ Interviews: have been completed, proofs are ongoing
 - ❑ Distribution: With a forthcoming edition of the “Infrastructure Investor” – 36 pages
 - ❑ Reach: With the Infrastructure Investor Magazine, more than 3000 copies globally; digital distribution to over 5000 members of PEI; more than 2000 copies at PEI conferences; another 1000 copies via the ICA Secretariat
