

6th ICA Annual Meeting

**Consultative Meeting of African
Stakeholders
Tunis, 5th May 2010**

Recommendations

For African Stakeholders (1)

- **A strong commitment of RECs and Member States to ensure the same priority and avoid redundancy and duplications (synergy objective);**
- **PIDA strong ownership by African Stakeholders is required;**
- **Capacity Building and training activities should be immediately engaged to better support programmes implementation;**

For African Stakeholders (2)

- **Organize an annual coordination meeting of African Stakeholders to assess the implantation of AU Declarations;**
- **Enhanced coordination: to support the ongoing study on Institutional Architecture undertaken by AUC.**

For Development Partners (1)

- **A strong support for the implementation of Africa infrastructure development initiatives;**
- **Bring assistance for capacity building as priority;**
- **The AU Summit Declarations should be inserted in the ICA road map;**

For Development Partners (2)

- **For the regional programs undertaken in the framework of ICA, to include Nord Africa and Central Africa Programs;**
- **To raise infrastructure concern during the MDGs meeting in September;**
- **To focus on 2 or 3 key priority projects as Hydro 2020, Trans African Highways as flagship actions.**
