

Snapshots of ICA Collaborative Platform

ICA Annual Meeting, Rome

9-10-11 March 2009

Introduction

The role of the Infrastructure Consortium for Africa (ICA) is to help improve the lives and economic well-being of Africa's people through encouraging, supporting and promoting increased investment in infrastructure in Africa. Acting as a catalyst, the ICA works to enhance and accelerate the development of Africa's infrastructure, and to help remove technical and policy barriers.
